# NUTCRACKER

*at the Moss Arts Center*

## EDUCATIONAL FIELD TRIP

HOW DO THE ARTS USE  
ENGINEERING, CREATIVITY,  
MUSIC, AND MORE  
TO TELL A STORY?

**DEC 16**  
10AM - 12PM

Join us for an immersive experience of *The Nutcracker at the Moss Arts Center!* Students ages 6 through 12 will receive a rare experience to see behind the curtain and learn how engineering, sound, lighting, costume design, pyrotechnics, choreography and more help bring the stories they imagine come to life!

And at the end..of course, they will get to see an abridged version of Little Leapers' 11th Anniversary performance of *The Nutcracker* featuring many of their classmates! This story takes a delightful spin on the classic story with a lesson in kindness, bravery, and cultural awareness along with special guest artists from around our community.

**This unique educational experience will give students a unique look at the arts through a creative and technical lens!**
